1 2022

Summary

The Russian Federation last reported hate crime data to ODIHR for the 2020 Hate Crime Report.

Hate crime data collection in Russia
Support for hate crime victims in Russia
Russia's hate crime legislation

ODIHR's Key Observation

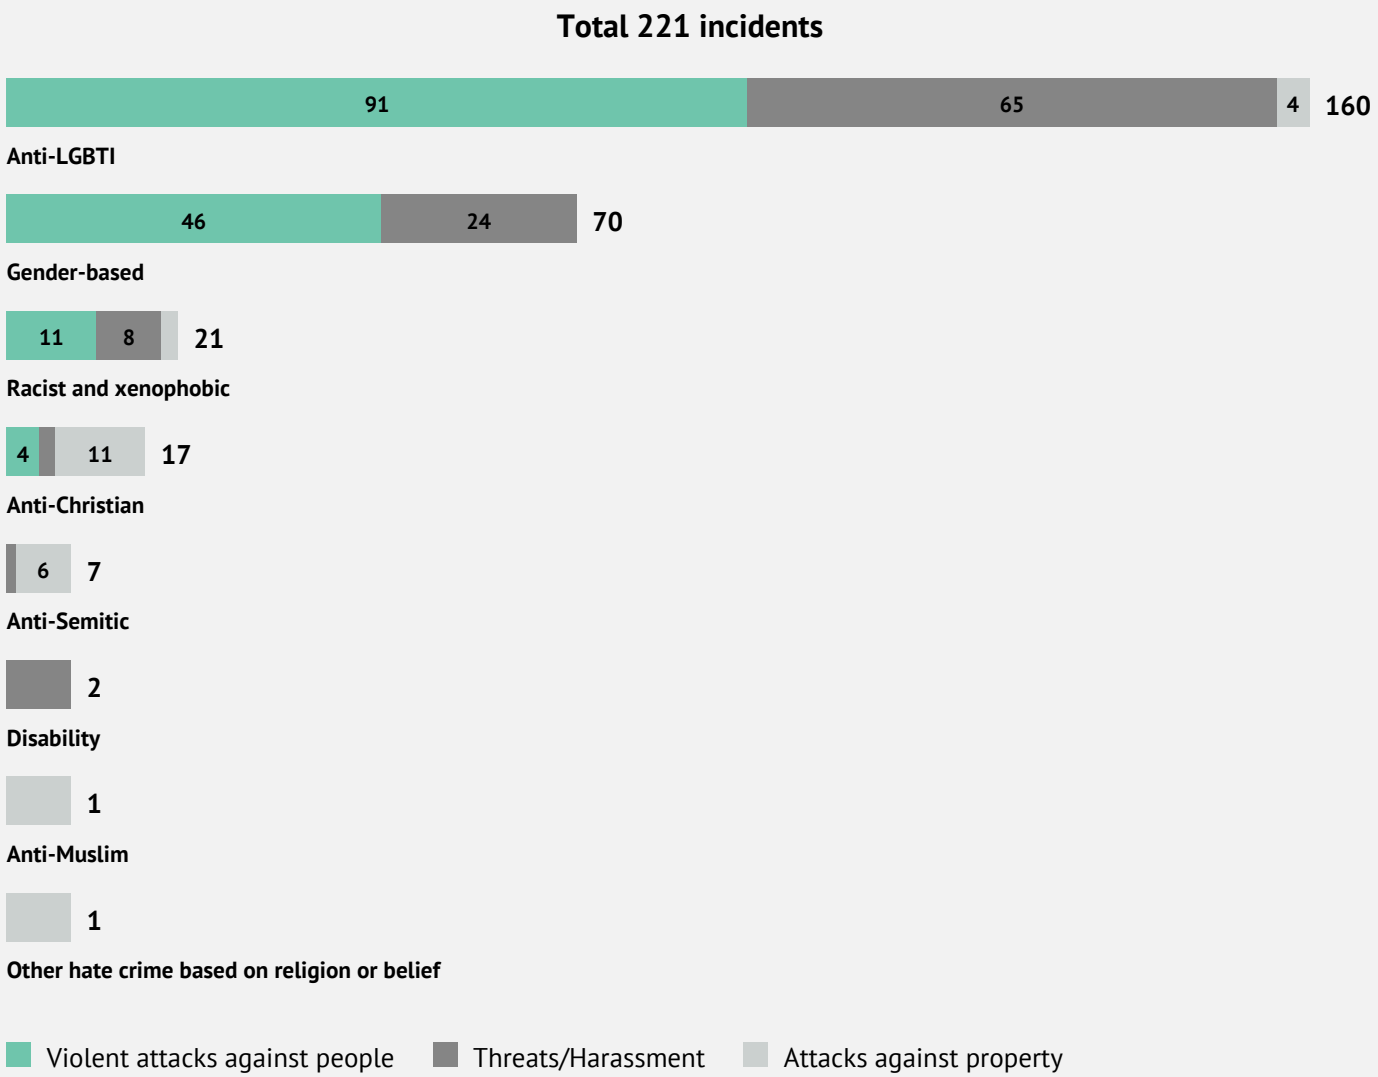
ODIHR observes that the Russian Federation has not reported data and information on hate crime to ODIHR. In the absence of an official submission and statistics, ODIHR is not able to provide further observations on hate crime data collection in the Russian Federation. In addition, ODIHR observes that the Russian Federation would benefit from reviewing its existing legal framework to ensure that bias motivations can be effectively acknowledged and appropriate penalties can be imposed on the perpetrators.

Official Data

Year	Hate crimes recorded by police	Prosecuted	Sentenced
2022	not available	not available	not available

No data reported to ODIHR.

Incidents reported by civil society



Please note that the total number of incidents may be lower than the sum of incidents presented in the breakdown chart above, as some incidents involve multiple bias motivations.

In addition to the incidents summarized below, this graph includes the following incidents reported by the SOVA Center as statistics: 5 anti-Christian, 5 anti-Semitic, 5 anti-LGBTI, 1 anti-Muslim, and 1 other hate incident based on religion or belief.
