Summary

Croatia regularly reports hate crime data to ODIHR.

Since 2006, Croatia has implemented ODIHR's Law Enforcement Outreach Programme (LEOP) followed by the updated Training Against Hate Crime for Law Enforcement (TAHCLE) programme.

In 2021, the government adopted an updated inter-agency "Protocol for Procedure in Cases of Hate Crime", establishing state authorities' responsibilities in addressing hate crime and revised the responsibilities of the dedicated Working Group for monitoring hate crimes. In 2021, the Working Group participated in ODIHR's diagnostic workshop to assess national structures and services for hate crime victim support, resulting in a set of ODIHR recommendations to the relevant state authorities. Data on hate crimes are regularly published by the Office for Human Rights and the Rights of National Minorities (OHRRNM).
