## ODIHR's Key Observation

ODIHR recognizes Azerbaijan's efforts to report hate crime information and data to ODIHR. However, based on the available information, it observes that Azerbaijan's hate crime recording and statistics do not sufficiently distinguish hate crimes from other crimes. In addition, ODIHR observes that Azerbaijan would benefit from raising awareness among and building the capacity of criminal justice officials to address hate crime.

## Official Data

Police figures exclude two cases of speech inciting a terrorist crime against the state and nation as they fall outside of the OSCE's definition of hate crime. Data reported by the police may include other acts that fall outside of the OSCE's definition of hate crime. Three cases of participation in military conflicts of illegal armed groups of religious extremists were excluded from the statistics on prosecuted and sentenced cases as they fall outside of the OSCE's definition of hate crime.
