1 2016

Summary

Bosnia and Herzegovina regularly reports hate crime data to ODIHR via the Ministry of Interior. There is no formal system for recording and collecting hate crime data in the country. In co-operation with ODIHR and the OSCE Mission to Bosnia and Herzegovina, the authorities of Republika Srpska have worked to improve hate crime recording and data collection through ODIHR's Information Against Hate Crimes Toolkit (INFAHCT) programme, including through a diagnostic workshop held in April 2022. Bosnia and Herzegovina has also co-operated with ODIHR and the OSCE Mission to train law enforcement officers and criminal justice professionals on hate crimes.

Bosnia and Herzegovina has launched a Gender Action Plan for 2023-2027, which includes hate crime prevention activities as part of its strategic implementation.
