1 2018

Summary

Denmark regularly reports hate crime data and information to ODIHR. Hate crime statistics are regularly published on the Danish National Police website.

The Ministry of Justice conducts annual victimization surveys to measure unreported hate crimes. The Danish National Police has previously engaged in dialogue on hate crime with a number of community stakeholders.

National Developments

The **Danish National Police** is now part of a Nordic police network working with hate crimes, initiated by the Norwegian Criminal Police.

The **National Police College** delivers an initial mandatory course on hate crime, in which police cadets are taught how to interact with targeted groups and how to communicate with victims in a respectful and understanding manner.

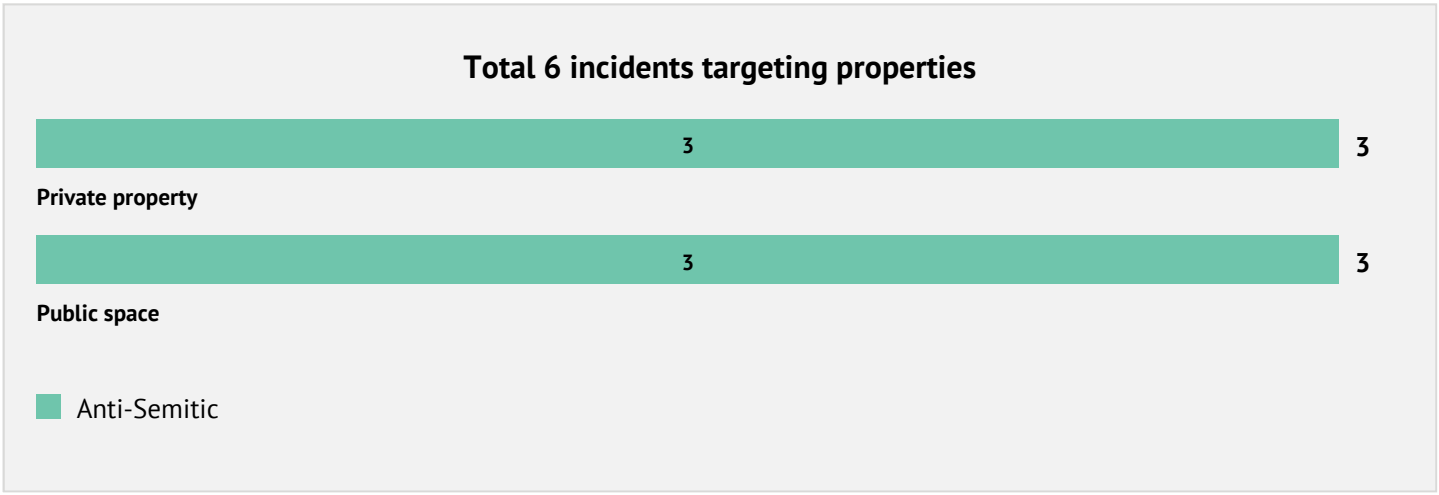

The **Danish National Police** offers officers a training seminar on hate crime as part of continuing education efforts.

Incidents reported by civil society

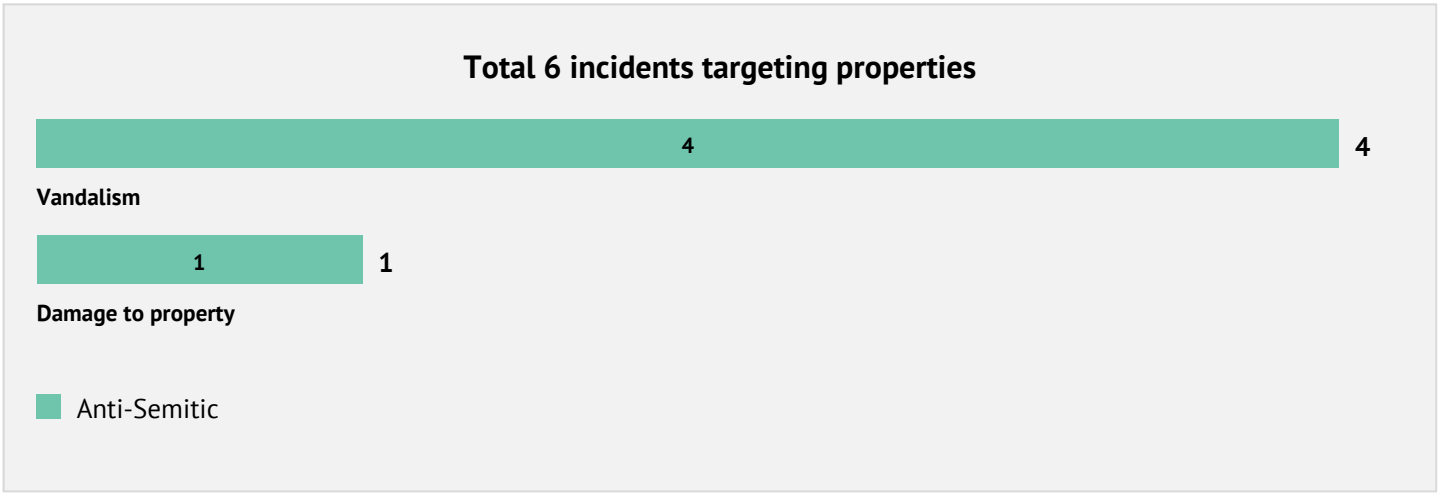

Please note that the total number of incidents may be lower than the sum of incidents presented in the breakdown chart above, as some incidents involve multiple bias motivations.
