1 2009

Summary

Italy regularly reports hate crime data to ODIHR. Annual reports on hate crimes have been published since 2010 and can be accessed [here](#).

The Observatory for Security against Discriminatory Acts (OSCAD) carries out activities to prevent, counter and monitor hate crimes. OSCAD works closely with the National Office Against Racial Discrimination (UNAR), which deals with non-criminal hate incidents and co-ordinates a permanent consultation group to promote LGBTI rights and protection.

Italy implemented ODIHR's [TAHCLE](#) (Training Against Hate Crime for Law Enforcement) programme in 2014. Italy also participated in ODIHR's project on "[Building a Comprehensive Criminal Justice Response to Hate Crime](#)", which included the training of police, civil society, and lawyers on hate crime investigation and victim support, and the mapping of available hate crime data in the Lombardy region.
