Summary

The Russian Federation last reported hate crime data to ODIHR for the 2020 Hate Crime Report.

[Hate crime data collection in Russia](#)

[Support for hate crime victims in Russia](#)

[Russia's hate crime legislation](#)

ODIHR's Key Observation

ODIHR observes that the Russian Federation has not reported data and information on hate crime to ODIHR. In the absence of an official submission and statistics, ODIHR is not able to provide further observations on hate crime data collection in the Russian Federation. In addition, ODIHR observes that the Russian Federation would benefit from reviewing its existing legal framework to ensure that bias motivations can be effectively acknowledged and appropriate penalties can be imposed on the perpetrators.

Official Data

| Year | Hate crimes recorded by police | Prosecuted | Sentenced |
|------|--------------------------------|---------------|---------------|
| 2022 | not available | not available | not available |

No data reported to ODIHR.
